Bed and Breakfast Girlfriend Getaways

The beauty of a bed and breakfast is its intimate style and attention to detail. Girlfriends looking to getaway to a B&B can expect an atmosphere of warmth and coziness that traditional hotels simply can't match. The owner/innkeeper is always willing to provide advice as to their favorite spots and area attractions. Many bed and breakfasts are historic, decorated uniquely, and offer a spa component. The perfect escape for a group of girls.

This selection of B&Bs are brought to you by our friends at BnBfinder.com.
